Organization:

Title:

Comments: I support the April 2024 USFS Environmental Assessment of Gold Creek efforts to support increased populations of Bull Trout and the supporting ecological improvements associated with it. As a lot and cabin owner in the Ski Valley Maintenance Association community I am concerned with the impact of the proposed plan implementation on the peace and quiet of our time in the valley, but willing to tolerate the disturbances to achieve the objectives of improved ecological function of the creek and surrounding habitat's.
