Comments: Please keep motorized vehicles out except for grooming vehicles and search and rescue, off of the trails at Rock Creek Archery range as well as trails at Big Meadows camp ground. Keep first section from Parking area to the fork in the road Non motorized to the left , motorized to the right.. Consider clearing and opening a route up to the top , above the campground. Follow it the old logging road to above the highway.. Any other trails up around Creede that can remain non motorized. Thank you
