Comments: Please, oh please, stop the endless expansion into the NFS and on the NFS. Summit County is DECADES behind the growth curve, our infrastructure and resources can't support more employees, more tourists, more growth.

Almost ALL growth here starts with the NFS allowing even more ski-hill expansion, placing undue burdens on government, citizens, wildlife, environment, and quality of life.

It's time for the NFS to adopt a new policy - Just say NO to Vail Inc.
