Comments: I am a life long KY resident (although I have lived in FL the past 5 years)I have such fond memories of driving down from Alexandria KY to enjoy Daniel Boone Forest. So beautiful. So peaceful. I understand you need trees logging. But it breaks my heart to think of losing one tree. Again I understand. But please, please, please do engage clear cutting. Unnecessary and very unfair to the residents. So of course I hope you will choose #1.
