First name: Cindy

Last name: Shelley

Organization:

Title:

Comments: I am asking that you please not clear cut or destroy our beautiful Forrest. I live here and have enjoyed it for over 40 years. I have raised my children here and they are both married and live here. We all enjoy the outdoors and love to hunt, fish, and ride through the Forrest. I now have grandchildren who love it as well. Please reconsider any changes you were planning to make do our area.
