Data Submitted (UTC 11): 5/25/2024 6:06:30 PM First name: Valerie Last name: Berlemann Organization: Title: Comments: I am vehemently against South 32 and mining in Santa Cruz County.

EV's are the present, not the future. They will surely fade and mines and/or mining processes will be a forever scar on our ecosystems and future health of family and loved ones. The impact of any mining outweighs any benefit to this county.
