Comments: As a recent visitor at Patagonia and Circle Z Ranch and planning on making many more trips , my family immensely enjoyed the solitude of the area and the unspoiled beauty of the area it would be heartbreaking to further deteriorate the beauty still present of the old west atmosphere enjoyed by the original inhabitants up til present day . I feel we owe it to previous and future generations to preserve as best we can. As resident of the Appalachian Mountains , i can attest to the eye sore that the transmission lines will be to the natural environment not to mention heavy vehicle traffic.
