First name: Sarah

Last name: Linn

Organization: URG Nordic Club, Creede

Title: Board Member

Comments: Hello - I am a board member for the Upper Rio Grande Nordic Club in Creede, CO. However, I'm primarily writing as an outdoor enthusiast to request that the Seepage trail (off highway 149, north of Creede, Colorado) be opened for cross country skiing. The members of the URGNC have been responsible for other trails in the area and can be trusted to treat this area with care. The Seepage trail would provide a more beginner/intermediate option for those learning to cross-country ski, which would promote the sport and nurture new generations of participants.

Thanks much for your consideration and for welcoming comments.
