First name: Maurice

Last name: Colwell

Organization: White MountainOPen Trails Association

Title:

Comments: I write this comment to protest the planned closure of FS161 in the Black Mesa Ranger District. This road is used by WMOTA(White Mountains Open Trails Association) for trail rides combining ridgeline trail loops to lower elevation trails. The new Arizona Alpine trail system being developed also uses this road. It is strongly requested that it remain open for use,
