Comments: I have visited Sweetwater Lake several times over the 12 years that I have lived in Eagle County. I have always been amazed at the pristine nature of the lake. Its peaceful, quiet solitude and untrammeled nature make it a rarity. Even the ramshackle restaurant and cabins have their own sweet charm! To encourage further visitation at this place would be a travesty. The last thing that is needed is more people! Improving access would be a huge mistake. Improving the buildings would be a huge mistake. Allow the place to have its own charm and protect its pristine and untrammeled nature.
