Comments: Dear National Forest Service,

I am writing to express my strong support for the proposed mountain bike trails. These trails will not only provide an excellent opportunity for outdoor recreation enthusiasts to enjoy and explore our beautiful forests, but they will also significantly boost the local economy. Mountain biking attracts tourists and outdoor enthusiasts, leading to increased business for local shops, restaurants, and accommodations. Additionally, well-maintained trails can create jobs in trail construction and maintenance. This initiative aligns perfectly with promoting healthy, active lifestyles while preserving our natural landscapes for future generations. Thank you for considering this valuable addition to our community.

Sincerely,

Alex Wasif
