Comments: I am writing to extend my full support of the bike trail system in it's entirety. As a life long Mena/Polk County resident and a local business owner I have never seen a better opportunity for our community, our county, and this region. This project will create job, new housing, and improve our already stellar way of life in the Ouachitas. Our community leaders have worked tirelessly to cultivate this opportunity and we must do everything possible to see it to successful completion. This project will benefit my children, grandchildren, and endless future generations. We have been blessed with this beautiful landscape and terrain and the rest of the county should be able to see what we can showcase here in Mena/Polk County. This project has my 100% endorsement and I humbly ask that you move forward as quickly as possible.

Gratefully: Paul T. Plunkett
