Comments: Congrats on a well laid out update of this gem !

My only concern is regarding the noted "grab and go" and/or 2-3 food truck types. Ideally, all visitors come to enjoy a walk/hike, and not visit for sustenance. An apple core or banana peel are NOT good for the native environment and will surely be discarded.

Please Please severely limit or exclude totally handing out PLASTIC water bottles, minimize provision of foodstuffs that are not vital to enjoy the beauty of Sabino Cyn !
