Comments: This looks like a great project. A bigger parking lot will add people and traffic. PLEASE improve the approach infrastructure while you do this project. A roundabout at Sabino Canyon and Sunrise. Safe cyclist and pedestrian lanes on Sunrise to Kolb and Sabino Canyon to at least the schools.

The recreation area is a jewel in Pima County's crown. Folks come for all over the World. Locals walk, run, and bike to Sabino. Let's make the approach safe and attractive too.
