First name: Kay

Last name: RolfsMassaglia

Organization:

Title:

Comments: Please have a strong policy to protect the mature and old growth forests. To do any less will harm not only the forests, but the whole planet, including the inhabitants. You have the power to make a real impact on all of this. I beg you to help, not hurt, our Earth by your decisions, to help our ailing planet in a very strong and powerful way.

Thank you.
