Comments: I prefer:

- Alternative 3 for the Ward Park and Eaglet Zones
- Alternative 4 for the Fire Tower and State Park Zones.

Please limit the total number of chairlifts 2, with no chairlifts in the Fire Tower or State Park Zones.

Alternative 4 for the Fire Tower and State Park Zones will also provide better protection for native plants and animals, water quality in streams, less road development on steep slopes, help keep scenic views and the upper portions of Rich Mountain more natural, and provide better protection for the traditional uses for Queen Wilhelmina State Park and the Ouachita Trail.

Thanks,

John
