Comments: I enthusiastically support the Trails at Mena Project. As a small business owner in the community, I am keenly aware of the profound impact that such initiatives can have on local businesses, residents, and the overall economic vitality of our region.

The proposed multi-use trails promise to be a transformative addition to Mena. They will not only enhance the quality of life for residents but also attract tourists and outdoor enthusiasts from far and wide. Restaurants, shops, and service providers will all experience a boost as more people come to explore the natural beauty and recreational opportunities our area offers.

I fully support the planned Trails at Mena proposal with no exclusions or changes.
