Comments: As a lifelong resident and retiree from the Mena area, I am writing to express my support for the Trails at Mena Project. This represents a significant step forward for our community, offering numerous benefits that will enhance the quality of life for current and future generations.

Throughout my life in Mena, I have witnessed many changes and developments and the Trails at Mena project is certainly among the most exciting of those changes. These trails will provide our community with a safe, scenic space for walking, cycling, and enjoying the outdoors. These amenities are invaluable, encouraging both physical activity and social interaction among residents of all ages.

I strongly support the Trails at Mena Project!
