Comments: I am writing to express my strong support for the Trails at Mena Project. Having lived in multiple places throughout my life, we chose to retire in Mena not just because of the proximity to family but also because of the promise of continued growth and development in a great, family oriented atmosphere.

These trails will provide a safe and enjoyable space for walking and biking encouraging a healthier and more active lifestyle for people of all ages. As someone who has experienced the amenities of various communities, I can confidently say that such trails will be a huge asset in Mena.

I support full implementation of the Trails at Mena Project and cannot wait to see the progress!
