Title:

Comments: Title of Proposed Action given by USFS/CPW: Sweetwater Lake Proposal Objection and Comments

Commenter Name: Elaine Schuck

My name is Elaine Schuck and I have been a long-time patron and part-time resident of the Sweetwater Lake Community for over 50 plus years. I would like my comments to be in honor of those who came before us, such as Gene & Fawn Godat, Phil Butcher, John Gannon, and my late husband John Schuck. I am opposed to any major construction, building and modifications to the Sweetwater Lake property. New buildings and new roads would be damaging to the area.

I would prefer remodeling of the existing structures or refurbishing these structures.

Thank you,

Ms. Elaine Schuck
