Comments: I moved to Colorado from Texas in 2004, My husband had already purchased our property on Sweetwater Road. We built our dream log home and moved in 2006. The peace, tranquility, wildlife, community and neighbors are the reason I fell in love with this place. I can't yell it loud enough, please don't ruin our peace in paradise by turning Sweetwater Lake into a State Park. I spent countless hours helping at the restaurant in our early years here and loved every minute of all the wonderful people I met and worked with. They loved it for the same reason as I, the peace, quite and beauty. We don't want a multitude of vehicles running up and down this already poorly maintained road to disturb our wildlife and our peace. Thank you, Letitia Mabry
