Comments: Hello, I'm commenting in concern for current residents and what will happen with our road. Currently Cedar creek rd. is a mess. We have horrible pot holes and its quite honestly falling apart. What will be done to maintain this as it already needs fixed? ALSO will we have some speed limit signs? I cannot tell you how many people a day drive 30 to 50+ down and up this road. I have animals and children. it has gotten horrible in the last year and a half. The new traffic this will bring will only make all of this worse. As far as logging an keeping our forest healthy I'm all for it as this also protects my home from wildfires. Thank you.
