First name: Owen

Last name: Maddox

Organization: Buffalo Creek Gun Club, Inc.

Title: President

Comments: I support the Integrated Management of Target Shooting project Environmental Assessment, especially Alternative #2. Along with my support for this analysis, I recommend three additional considerations: 1) More law enforcement within the Forest Service to enable a quicker response to illegal activity and assistance in general. 2) Increased education of the public shooters on safe and proper handling of firearms. 3) Better access to our ranges, especially ones located within the confines of a National Forest.

Please vote YES to accept this analysis.
