Title:
Comments: As one of few who's been riding at Bluewood, I have many thoughts on mountain biking for this area. I'd also like to sponsor a cross country race in the spring, summer or fall. I can be reached at 509-386-1750.

Finally, I also manage the penitentiary work crews which could support the trail building efforts. My work is 509-526-6428
