Comments: Hello again, Melanie.

I have uploaded a (rough) transcript of the virtual meeting and the powerpoint slides (in PDF form) that we presented to the public website. I am still working to post the actual video (I didn't realize how we have to process it), but I hope these will be of use to you in the meantime.

You can find all the files in the "EA Public Comment Period" folder on this website:

Many thanks,

Jenn

Hi Melanie-

Sorry to hear the link didn't work for you. I fear others reported similar issues but I tested the link when I posted it. I get frustrated with our web system - not very seamless.

I did record the meeting and am working to post it to our website (big file to move around). I'll let you know when it's up.

Thanks!

Jenn

Hi Jennifer,

I was just checking in with you to see if you happened to record the virtual meeting that was scheduled earlier this afternoon for the Integrated Management of Target Shooting on Pike NF EA? I had tried repeatedly to join, but I could not access the meeting. I thought perhaps the meeting hit the maximum amount of participants, so I thought I'd reach out to you just in case there will be a forthcoming link of a recording.

Thanks, and hope the meeting went well!

Melanie
