Hello Mr. Kerby,

Thank you again for attending the public meeting for the Integrated Management of Target Shooting project held on Tuesday in Divide.

I am following up as I have prepared a flyer to post at your neighborhood's bank of mailboxes as you suggested, but I do not know exactly where that is. (You only provided an email on the sign-in.)

Can you please provide an address, intersection, or directions of where we can find the mailboxes you mentioned?

Many thanks,

Jenn
