Comments: Hi again -

I apologize but I'm not sure which meeting you are referring to? I don't recall mention of one at the Divide meeting, but I did have a lot going on that evening.

I know the Southern Shooting Partnership, the group of 11 agencies and counties, meet every other month, and will continue to meet after the comment period. The group has a wider mandate than this USFS project.

It's my understanding that Doug Co and CPW may meet on a range of topics if they need to, and I would not expect to know about those[hellip]

I suspect Andy Hough would be happy to answer your questions if you want to contact him.

Or, I could ask him to reach out to you if you prefer.

Thanks,

Jenn

Jennifer one last question on this issue.

Why is Douglas County holding a meeting with CPW after the comment period ends?
