Comments: Hi again -
I apologize but I'm not sure which meeting you are referring to? I don't recall mention of one at the Divide
meeting, but I did have a lot going on that evening.
I know the Southern Shooting Partnership, the group of 11 agencies and counties, meet every other month, and
will continue to meet after the comment period. The group has a wider mandate than this USFS project.
The communication and common periods and group had a made main and como project.
It's my understanding that Doug Co and CPW may meet on a range of topics if they need to, and I would not
expect to know about those[hellip]
I suspect Andy Hough would be happy to answer your questions if you want to contact him.

Or, I could ask him to reach out to you if you prefer.
Thanks,

Why is Douglas County holding a meeting with CPW after the comment period ends?
