Comments: The proposed action includes constructing a new road and marine accessible cabin, vehicle parking area, vault toilet outhouse, woodshed, and trail access to the beach.

I AM AGAINST ANY ADDITIONAL CONSTRUCTION OF ANY TRAILS, ROADS, PARKING AREAS, AND BUILDINGS IN A WILDERNESS AREA FOR ANY REASON.!!!

WILDLIFE NEEDS TO BE LEFT ALONE. MAN IS DESTROYING ALL THE TREES AND NATIVE HABITATS FOR MAN'S RECREATION, ENJOYMENT, AND LUXURY WHILE IN THE WILDLIFE.  
THE PLANET NEEDS ALL THE PLANTS AND TREES POSSIBLE TO KEEP CLIMATE CHANGE FROM WORSENING. ALL THE WILDLIFE NEEDS TO KEEP THEIR HABITATS FREE FROM MANKIND.

I AM AGAINST ANY ADDITIONAL CONSTRUCTION OF ANY TRAILS, ROADS, PARKING AREAS, BUILDINGS, AND ANYTHING ELSE TO DISRUPT THE WILDLIFE AREA THAT IS THERE!!!
