Title:

Comments: Do not reconstruct the Emerald Lake Shelter in Mount Timpanogos Wilderness, Utah County, Utah. Please follow the Wilderness Act's guidelines and let this Emerald Lake Shelter in Mount Timpanogos Wilderness, Utah County, Utah continue to return to the Earth from whose resources it was constructed. It is unnecessary in a designated Wilderness and any historical marker about its existence is also not compatible with Wilderness.

I am a U.S. taxpayer and a voter. Thank you.
