Last name: Greene

Organization:

Title:

Comments: The Forest Service must adopt an alternative that lets the Mount Timpanogos Wilderness be wild by allowing the metal remnants of the Quonset hut to fade with time, or by using wilderness-compatible means, such as non-motorized/non-mechanized tools, to remove it.

The Wilderness must remain Wilderness, otherwise, we lose out in the end. We have children and grandchildren and great-grandchildren. Let's keep Wilderness for them.
