Re: Hut in the Mount Timpanogos Wilderness, Utah

Quonset hut in the Mount Timpanogos Wilderness

The Forest Service must adopt an alternative to this action that lets the Mount Timpanogos Wilderness be wild by allowing the metal remnants of the Quonset hut to fade with time, or by using wilderness-compatible means, such as non-motorized/non-mechanized tools, to remove it. This obstruction hut is not needed and its reconstruction will harm this exceptional wilderness. In doing so, and how you propose to do it, you are not in compliance with The Wilderness Act.
