Comments: We do not need a modern, industrial structure in the middle of the Mount Timpanogos Wilderness.

Also, all food served in these national parks needs to be plant based. Factory farming is destroying the ecosphere. HOW HOT IS IT GOING TO GET? Let's redirect people over to plant based living. The food is protein rich and delicious.

We need to do what we have to do. Los Angeles is turning into Phoenix. 112 degrees yesterday. Come, on!
