Comments: I am asking that you adopt an alternative that lets the Wilderness be wild by allowing the hut to fade with time, or that uses wilderness-compatible means to remove the hut's remnants. The use of helicopters and other motorized equipment to reconstruct the Emerald Lake Shelter, would create chaos for the wildlife there.

I would prefer to let the hut fade and let nature take it over. There are fewer and fewer truly wild places anymore. We should preserve and protect the places we have that are currently wild!!

Thank you for considering my comment.
