Comments: 1) The Forest Service's first responsibility is to protect the wild character of the Mount Timpanogos Wilderness, rather than any structures such as the Quonset hut.

2) The Forest Service's own wilderness policy recognizes that a structure is not needed for visitor use.

3) The Forest Service's proposal to build a new structure is antithetical to Wilderness. The Act clearly precludes structures.

4) The Forest Service must let the metal remnants of the Quonset hut deteriorate with time, or remove it using non-mechanized means.
