Comments: Mother Nature gives us beautiful gifts and we should allow them to be. Man has a nasty habit of ruining or damaging monuments. Sometimes they can be fixed at great expense and sometimes they cannot. Leave nature alone.

The Forest Service's first responsibility is to protect the wild character of the Mount Timpanogos Wilderness, rather than any structures such as the Quinaset hut, which degrades the area and is not necessary to administer the Wilderness.

I am in total agreement with the above statement.
