Title:

Comments: adopt an alternative that lets the Wilderness be wild by allowing the hut to fade with time, or that uses wilderness-compatible means to remove the hut's remnants.

This metal Quonset hut with a cemented rock retaining wall was finished in 1960, and the Mount Timpanogos Scenic Area was established in 1961. In 1984, Congress designated the Mount Timpanogos Wilderness. Once this designation occurred, the Forest Service became responsible for ensuring that the area remain wild and primarily shaped by nature.
