Comments: Please protect the wild character of the Mount Timpanogos Wilderness, rather than any structures such as the Quonset hut, which degrades the area and is not necessary to administer the Wilderness.

This structure is not needed for visitor use.

Using helicopters and building a new improved structure is antithetical to Wilderness. It is a perversion of the Wilderness Act to declare such a structure is part of the wilderness character of the area when the Act clearly precludes structures.

You must adopt an alternative that lets the Mount Timpanogos Wilderness be wild by allowing the metal remnants of the Quonset hut to fade with time, or by using wilderness-compatible means, such as non-motorized/non-mechanized tools, to remove it.
