Comments: Dear Sir/Madam,

Mount Timpanogos Wilderness, Utah County, Utah must be the priority as it is the Wilderness that matter. The Shelter is a historic structure eligible to the National Register of Historic Places (NRHP) and contributes to the character of Mount Timpanogos Wilderness as an Other Feature of Value due to its cultural, scenic, and historical significance. The Proposed Action must reconstruct the Emerald Lake Shelter to the benefit of the Wilderness.

Best wishes & kind regards
