Comments: The natural deterioration of structures is part of Wilderness-it is evidence of untrammeled and timeless natural processes reclaiming the Wilderness from temporary human occupation. Structures should be removed if that can be done in a manner consistent with wilderness principles and if the impact from removing the structure is less than the impact from leaving the structure. This hut is not listed on the national register of historic places, though it has been proposed for listing. Even if listed, it could be documented and allowed to fade into the Wilderness. Thank you.
