Comments: I urge the federal purchase of the 80,000 acres of state school trust lands inside the BWCAW, and the 3,200 acres of St. Louis County land included in the land purchase package. The purchase will increase administrative efficiency directed at protecting BWCAW as a Wilderness. It will also prevent future state or county governments from developing these lands. It will also provide more income to Minnesota's Permanent School Fund than a land exchange would.
