Comments: To Whom It May Concern,

I support the federal purchase of the 80,000 acres of state school trust lands inside the BWCAW, and the 3,200 acres of St. Louis County land included in the land purchase package. This land should be protected for generations to come and this is a great way to do that. We need protection of our natural treasures, for the good of all citizens and the good of the country. Thank you,

Jerry Hughes
