Comments: I support the federal purchase of the 80,000 acres of state school trust lands inside the BWCAW, and the 3,200 acres of St. Louis County land included in the land purchase package.

A federal purchase will increase the efficiency of administering and protecting the BWCAW as a Wilderness, and prevent future state or county governments from developing these lands.

Furthermore, Congress created the Land and Water Conservation Fund for just such purposes. Thank you for your consideration and your regard for these unique and vital wilderness areas.
