Title:

Comments: The Boundary Waters are perhaps Minnesosta's most precious natural resource that the public can enjoy. As a youth, I spent memorable time on the Boundary Waters canoeing.

This is a chance to preserve in total this precious area.

It will provide steady income as other school trust sections in Minnesota have to the permanent school fund.

It is not illegal.

Vote for all of Minnesotans, not the few: buy this land and maintain it as is.
