Comments: To Whom It May Concern -

As a person who values the beauty and protection thereof, I support the federal purchase of 80,000 acres of state school trust lands inside the BWCAW and the 3200 acres in the St. Louis County land associated with it. This purchase will provide a large income to Minnesota's Permanent School Fund, while protecting the BWCAW as a Wilderness, free from the threat of development.

Please use the Land and Water Conservation Fund to purchase this land - a fund created by Congress FOR THIS PURPOSE. And thereby protect the Boundary Waters Canoe Area Wilderness for future generations to enjoy.

Thank you for your consideration of this proposal.
