Comments: I support the federal purchase of the 80,000 acres of state school trust lands inside the BWCAW, and the 3,200 acres of St. Louis County land included in the land purchase package.

A federal purchase will increase the efficiency of administering and protecting the BWCAW as a Wilderness, and will prevent future state and county governments from developing these lands.

Furthermore, a federal purchase would give more income to Minnesota's Permanent School Fund than would a land exchange, according to analyses by the local newspaper.
