Comments: "Ecology is the meaning of life. Truth, justice, equity, and sustainability are the ideals whereby ecology is maintained." - Dr. Glen Barry

"A thing is right when it tends to preserve the integrity, stability, and beauty of the biotic community. It is wrong when it tends otherwise." - Aldo Leopold, The Land Ethic, A Sand County Almanac. An act of violence against nature should be judged as severely as that against society or another person. - Dr. Michael W.Fox
