Comments: I believe it is important to preserve and protect as much wilderness across the country as possible. I support the federal purchase of the 80,000 acres of state school trust lands inside the BWCAW, and the 3,200 acres of St. Louis County land. Federal protection will hopefully protect the BWCAW as a Wilderness, and prevent future state or county governments from developing these lands. A federal purchase may possibly provide more income to Minnesota's Permanent School Fund.
