Comments: I support the federal purchase of the 80,000 acres of state school trust lands inside the BWCAW, and the 3,200 acres of St. Louis County land included in the land purchase package. This purchase will facilitate the efficient administration of the VWCAW as a wilderness area. It will provide the Minnesota school system with more money than a land exchange, and it is legal under the Weeks Act, despite the counter arguments of opposing state legislators. It will ultimately be more efficient and helpful to the state education funds. ,
