Comments: Re: Support federal buy-out of Boundary Waters Canoe Area Wilderness school trust lands

The U.S. Forest Service and the Minnesota Department of Natural Resources (DNR) have reached a good agreement for a federal purchase of about 80,000 acres of state-owned school trust lands and 3,200 acres of county tax-forfeited land inside the 1.1-million-acre Boundary Waters Canoe Area Wilderness (BWCAW) in the Superior National Forest in Minnesota.

I want to urge the Forest Service to move ahead with the federal purchase of these school trust lands within the BWCAW, and to ignore the plea from the state legislators for a land exchange.
